

Information about Internet and Cathay Discounts

Dear Crew Member,

To make your stay with us more comfortable, we offer wireless Internet for our guests in all rooms and public area.

1. Register with last name + Cx (e.g.: Smith Cx) and room number and tick the box for accepting Terms and Conditions
2. Choose option **“Complimentary Internet Access”** for using free internet with a standard bandwidth of 1.5 Mbs. This should enable you to surf the web, download e-mails and stay connected via social media sites with your family and friends.
3. If you need more bandwidth e.g. to download videos, using Facetime or Skype, choose the option **“Premium 24 hours 10.00 Euro”**, which will be charged to your room account automatically. **Please be informed that the costs of EUR 10,- needs to be settled on your own account.** This will apply to every crew member, no matter of the position. If you use two different devices per room please sign in with both. You will be charged just once per period for Premium Internet.
